

HOUSE OF REPRESENTATIVES
COMMITTEE ON APPROPRIATIONS
Eighty-Third Congress
Washington, D.C.

March 18, 1953

Honorable Allan W. Dulles, Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Director:

Yesterday you were going to send a car up for us and we could not find it. We approached a car that looked like it might be it, License No. DC 1-5073. On calling later we found that this car was a CIA car. The driver said he was waiting for a lady.

It looks like you have too many cars and too many chauffeurs and that could be a very simple way of reducing requirements.

Very sincerely yours,
